## A Complete Time Management Solution

..... *the choice is yours.*

Convenient

Easy to Use

Affordable

Manual calculations are cumbersome, time consuming, inefficient, and more prone to human error. Being competitive in this era of increasing automation and computerization requires change. If change frightens you as it does many people, here are some NOVAtime benefits to consider:

- ✓ **Uniform Enforcement** of your company rules
- ✓ **Built in Navigators** to assist users on daily or weekly procedures, adding new hires, and processing payroll.
- ✓ **Custom Report Generator** with built in E-mail.
- ✓ **Full Editing** with **Audit Trails**.
- ✓ **Seamless Scheduling** and **Shift Coverage**
- ✓ **Professional Implementation** by **Local Certified Personnel**
- ✓ **World Class Service 24/7**

NOVAtime is priced based on your business's number of employees, Add on Modules, and the type of Data Collection devices you choose. Let us show you the system that meets your needs and budget.
